

## GENERAL CONDITIONS OF PURCHASE

1. That we receive an unqualified acceptance by return post, otherwise we can any time previous to the execution of the order consider it not placed or cancelled, notwithstanding our having in the meantime communicated with you with reference to it.
2. It is a condition of this order that whilst any goods sent to you in connection herewith are in your possession you accept responsibility for loss and/or damage thereto and that you will insure the said goods against loss and/or damage by fire for the full value.
3. That so far as concerns the date or dates for delivery of the goods, time is to be taken as of the essence of the contract. That if any goods are not delivered by the date specified we are to be at liberty to determine the contract and that without prejudice to all other rights and remedies.
4. If the user or disposition by us of the goods or things subject to this order shall constitute a violation of any Letters Patent and we or any person claiming title from us shall sustain any loss or damage, whether costs, charges, expenses or damages in connection with such claim, you are to indemnify us or such person against the amount of such loss or damages.
5. That invoice be sent with goods, and statement be rendered by the 14<sup>th</sup> of the month following delivery, otherwise payment will be posted until our next pay day.
6. That all goods be delivered here Carriage Paid, and no charge be made for packing; cases; however, will be returned Carriage Paid if advice is received with goods that you so require.
7. In the event of the termination or cancellation of this order, all claims must be rendered within two months from the date of the written cancellation. Bowers Electricals Ltd will not be liable to meet belated claims, unless in exceptional circumstances.
8. That no order can be considered placed by us unless written upon this, our printed form.
9. That each month's accounts include only goods actually received by us during that month, and not those in transit, etc.
